Tasting Note

A fresh red wine, nice to accompany meats and grilled vegetables.

- **Color:** Clean and light wine, with an intense pomegranate color and a violet-blue rim, with a light feel in the glass and the presence of purple tears.
- **Smell:** On the nose it is pleasant, of good aromatic intensity with memories of fresh aromas, of fruit such as raspberries, cherry, with delicate touches of flowers, together with a tree stem vegetable, and a mineral and saline finish (dried seaweed).
- **Taste:** In the mouth it is fresh, marked by the presence of a medium and ripe tannin, well balanced in alcohol-acidity, with memories of macerated fruit and a persistent finish.
